

## 公民與社會科作業—向世界發聲

2008年，「臺灣聯合國先生、小姐」率領代表團親至紐約的聯合國總部，表達讓臺灣加入聯合國的立場。如果是你，你會想怎麼呈現？請在設計一份簡潔有力的海報，同時設計標語，並註明臺灣必須加入聯合國的理由。

A vital life should not be limited,  
a democratic nation not isolated.

As one of the most democratic nations in Asia, Taiwan, the world's 10th largest trading partner, should not be excluded from the UN. Denying Taiwan membership in the UN is political apartheid and violates the fundamental rights of its 22 million people. It is a clear breach of the UN Universal Declaration of Human Rights.
